Embtel 235

Since Haitian note confirms authorization use quarantine operations airport and port facilities by sixteen OAS countries and conspicuously omits Venezuela and Dominican Republic, we believe it inadvisable to suggest to GOH that it inform Secretariat OAS of its decision, in view discriminatory nature offer. In fact no reply note needed, since Dept informed by US Navy use Haitian port facilities by Venezuelan and Dominican naval units presently participating Combined Quarantine Force not essential at this time.

For Emb info Venezuelas and Argentina now have two destroyers each and Dominican Republic one patrol frigate on station.
